Sir

I have the honor to report that in the list of goods wanted for School at Carlisle Barracks there appear 3 Sewing Machines 2 Singers and 1. Wilcox & Gibbs. E. J. Howard the Contractor for Sewing Machines called today to inform me that his contract does not include Wilcox & Gibbs machines, but he will furnish same, if he is directed so to do, the price will be not more than \$60; possibly less he could not make a positive price, until he had investigated the matter. I will thank you for instruction on this point. I will also thank you for instruction as to the price estimated

to be paid for the Hose Carriage ordered
and whether it should be 2 or 4 wheeled
also whether the 400 feet of 2 1/2 inch
Hose is to be of leather or rubber or
hemp - I would also suggest that the
25 fire buckets be rubber instead of leather

Very respectfully
