Hon Commissioner of Indian Affairs  
Washington D.C.

Sir

I have the honor to enclose herewith a letter rec<sup>d</sup> from Eloubet Pelton & Co making enquiry - which I understand to be about the 2 Organs sent to Yankton Agency last December. I will thank you to inform me regarding same that I can give them an intelligent reply -

I also enclose a letter from N L Douglas Supt Penn RR Co, giving rates of freight to Carlisle Pa. As the rate is considerably less than the price made by Booth the Hon Commissioner has ordered that the goods be sent as per this rate and has notified Lt Pratt <sup>by telegram</sup> to pay the freight on delivery

As the message did not state the rates,  
it will be necessary to give him fuller  
information on the subject -

Very respectfully

Dear Sir

The Treasury Department notified us some two months since that our check for \$172.26 (less the extra freight) was ready and would be sent us in a few days.

This amt has never reached us.

Will you kindly give the same your attention and oblige
