Com^r of Indian Affairs
Washington
D. C.

Dear Sir

Will you kindly

let me know if a small

Christmas box would

be acceptable to the

Garfield Baseek School.

We should be glad

to have some particu-

lars concerning the

plan developing there

for the education of
the Indian children,
and whether any out
side aid is needed
or if the Government
sufficiently supplies
the school -

Please advise

Mrs Lea Ingner
