into Laundry

250 00

\$100.

Locks, fastenings, hinges, repairs to outside
water pipes, fences, sinks &c

300 00

Some estimate of
heating the gates
quarters
general from one
necessaries on account
of cheapness & safety
of gas pipes & safety
valves cost \$300. will
be done

Other heating apparatus with

400 00

\$ 2631 50

Having carefully examined the different
buildings & enumerated in the foregoing ^{the repairs} amount-
ing to the estimated sum of Twenty six
hundred & thirty one \$100 Dollars I find
are necessary for the preservation of the build-
ings and their adaptation for the purposes
of a school

John Gutshall
Builder

Academy Pa,

I have endorsed my opinion on the fore-
going in red ink, and would prefer that
the excess difference between my judgment

and the Builders should go into additional students, rather than into buildings.

Very much can be done from time to time by the mechanical instructor.

Recapitulation

Total repairs to Condg. Offs. Gps	\$47.00
" " " North " "	135.
" " " South " "	100.50
