Hon. E. A. Hunt
Commissioner of Indian Affairs
Washington D. C.

Sir.

I have the honor to transmit plans and estimate of the cost of Assembly Room and Chapel verbally authorized by you on your recent visit.

Bills for material have been submitted to the several dealers and this estimate is based on the lowest bid.

The size 36 x 60 is an increase of six feet in width over what you mentioned but I find the increase necessary for the needs of the school.

The foundation is well up and we are pushing the work to get it enclosed before cold weather.

As you know we are needing it daily having no room of sufficient capacity to hold the children.

for any exercises.

I Request that the funds might be placed to
my Credit without delay.

With Great Respect

Your Obedient Servant
