Hon E. A. Hoyt
Commissioner of Indian Affairs
Washington D. C.

Sir.

I have the honor to respectfully inform you that I find a method here of siding frame Buildings with lumber prepared expressly for that purpose which is cheaper and I think ^{more} preferable than the way you verbally instructed me in the building of the Chapel or Assembly Rooms. I would therefore respectfully request that I be allowed to use this prepared lumber in the siding of that Building

Very Respectfully
My Obedient Servant
