Treasury Department,

Second Comptroller's Office,

Washington, D. C., January 2<sup>d</sup> 1880.

Hon. Commissioner  
of Indian Affairs,

Sir:

Referring to an account in favor of the War Department for \$630.78 for Medical and Hospital Supplies transferred to Interior Department, at Carlisle Barracks, Pa., referred to me for decision, I have the honor to advise you that upon an examination of said account there does not appear to be any evidence that such transfer has been made.

Will you please, at your earliest convenience, furnish this office with the original receipt of the officer

of your department for the supplies  
in question.

Very respectfully,  
W. W. Weston,  
Comptroller.
