United States Indian Service,

TRAINING SCHOOL FOR INDIAN YOUTH,

CARLISLE BARRACKS,

Carlisle, Pa., March 26th, 1880.

To the Honorable
The Commissioner of Indian Affairs
Washington D. C.

Sir,

My desire to be well established in every precaution against Mortality among the Youth under my Care, leads me to request that Dr Kellogg, from the Dept. may be sent up to inspect and Consult with, and advise me, in reference to the Sanitary Precautions necessary to be observed here.

I believe a brief visit from him would be valuable to my Medical Officer and to the interests of the School generally.

Very respectfully
Your obedient Servant
