Hon R. E. Trowbridge
Commissioner of Indian Affairs
Washington D. C.

Sir

We have here about sixty five thousand square feet of Tin Roofing, which, having been neglected for a number of years in repairs and painting was needing attention badly when we came. ~~It~~ I have kept my Timed and Apprentices at work on this from time to time in suitable weather and now have the open seams and other leaks numbering nearly six hundred closed by soldering. I have examined the roofs and find it very necessary that they should be repainted. It will cost \$350.⁰⁰/₁₀₀. I would respectfully request the funds and your authority for this

Very Respectfully
Your Obedient Servant.
