Carlisle, Pa., November 19, 1880.

The Honorable Commissioner
of Indian Affairs,
Washington, D.C.

Sir:

Many of the floors in the building have become so much worn as to need replenishing in part or in whole. The increase in the number of boys has demanded an enlargement of their wash room & bath room facilities. I need $200. for these improvements, which are most conveniently made now while I am putting in the steam heating arrangement. I would respectfully request your authority to expend that amount in making these needed improvements & repairs.

Very respectfully

R. H. Pratt

1st Lt. 10th Cavy. In charge.
