The Honorable Commissioner
of Indian Affairs,
Washington, D.C.

Sir:

I respectfully request your permission to visit Washington to bring before the Department the needs of the school in regard to a farm, & its other interests. I should like too, to visit New York to purchase an addition to our range of material for school clothing, & that I may see Mr. Karr about our manufactured goods.

My understanding with the New York branch of the Office does not seem to be as satisfactory as it might be made.

I would request in the same authority, if it please you to grant it, that I be allowed to visit New York for this purpose.

Very respectfully
Your obt. servant
R.H. Pratt

Let Dr. Wth Carr. in charge.
