The Honorable Commissioner
of Indian Affairs,
Washington, D.C.

Sir:

Sometime during the first quarter 1881, it will be best to stock the farm which you have allowed us to rent. We shall need, 4 horses or mules, twelve cows, one blooded bull, 25 sheep, two cows and one boat, and fifty chickens.

In the purchase of this stock in open market I would respectfully request your authority to expend the sum of one thousand dollars.

Having permission of the Office, I have already spoken to the Honorable the Secretary of the Interior on this subject.

Very respectfully
Your obt. servant
R. H. Pratt
1st Lt. 10th Cavalry, in charge.
