Proceedings of a Board of Survey held at the
Indian Training School Carlisle Banacks Pa
in pursuance of the following order

Carlisle Banacks Pa
Dec 13th 1880

Dr. C. H. Hepburn

Mr Amos Miller

Mr. A. J. Standing

Gentlemen

You are hereby appointed a
Board of Survey to examine and report upon two old
worn out and unserviceable mules, the property of the
United States for which I am responsible to the Indian
Department.

You will carefully examine into their condition and
make such recommendation for their disposition as you
think best for the protection of the interest of the United
States Government.

Mr Standing will record the proceedings which
will be made in triplicate

Very Respectfully

R. H. Pratt

1st Lt. 10th Cavalry In Chg

The Board convened, Dec. 13th all members present
and proceeded to inspect the property mentioned and
find as follows viz - that one of the mules "black"
is very old, lame, and of no service whatever - one

two mules very old, unmanagable, and not able
for a full days work - The board agrees that
the animals are in no respect profitable and re-
commend that they be sold.
