The Honorable Commissioner
of Indian Affairs,
Washington, D.C.

Sir:

I would respectfully suggest that, inasmuch as we have quite a number of the Ponca children here ^{and} the son of White Eagle among them, it would be a good plan for the Ponca delegation to visit the school on their way to Washington, instead of on their return. White Eagle's son is a bright little fellow, ^{and} if he should ask to take him along on his trip to Washington it would be well to allow him to do so.

Very respectfully
R.H. Pratt
