The Honorable Commissioner
of Indian Affairs,
Washington, D.C.

Sir:

On October 11th I forwarded in accordance with your Department regulations, a report of changes in employes; on November 15th I invited your attention to the fact that no action had been taken on that.

On the 18th November I forwarded a report of irregular employes for October, on the 21st November I forwarded a report of proposed changes in employes.

Your action on these several papers was promised "immediately" when I was in Washington on the 2nd instant, but I have not yet received any notice of what that might be.

Very respectfully
R.H. Pratt
