My dear Friend:-

I send you a copy of the New England Magazine, which contains the best account of us so far written, which with my last report, also enclosed, will, I trust, give you the material you need.

I would like very much to have both you and Dr. Montezuma present at our Commencement and trust you may find it possible to come over then. I will be glad to entertain you while here. Let me know as speedily as possible if you can come. You should leave Chicago Monday, the 24th, so as to be with us Tuesday, Wednesday and Thursday. Your presence here at that time will, I feel assured, aid you greatly in the preparation of anything you may wish to write for the public about us.

Yours cordially,

(Dictated)
N.
