My dear Friend :

I expect to be in Chicago with my daughter Nana about five o'clock Friday evening next and remain over night with my niece Mrs. Henry Penfield, 5757 Madison Ave. I would be glad if convenient for you and Dr. Montezuma, Miss Choteau, and Norman Cassadore to meet me there.

I am going to make a trip among the Indian Agencies, in part to work up parties of children for this school and in part to see the field and find out what is going on. I plan to go to New Mexico first visiting Santa Fe, Albuquerque and some of the Pueblos; then over to the Navajoes and Moquis and then come back again to San Carlos and Pima Agencies.

I would like you and Dr. Montezuma to go with us down to San Carlos and Pima if you care to go there. We would also like to take in the Mescalero Agency. Think about it and we will talk it over.

Sincerely yours,

Capt. 10th Cavalry.
