Games Palflown.
Fifth Mande.

Character Sketch. She war a lady walking abory onto campus the othenday whys think e she is the honey of the Carlisle Indian School; an she walked shoo looked as though ate were going 5 wider her self out of scope.

She was about fire feet tale and she looks all sight. bur her action spoiled ir all.

She hopped along like a robbin ar a effringinghwh.

Then Isaw another lady came along, she kips her steps se steady and walked stianghon, she wake ane honest loakin
lady, you could wee thor by look ing ar hes, By her action, by her talk and by hus locke.

She wast any more than $4 \frac{1}{4}$ の $4 \frac{2}{3}$ fur tall.

The other lady wore a rat ale around her head artimoke her self look brainy as some gus say

Her noe looked like a green conn nubbin.

The difference between the two ire, thar one is sensible and the rue one is a smart, os io much for welt.
heme th ow land.

Oharacter Sketch.

This man in hiv apperarance ie extremely neat and dresses very nice.

Oe is very tall and fat and generally wace a gray suit of clopher most of the time. Oleo weave red shoes and blacker stachinge wish them.

You daw see a dark blue neck tie holding his collar ins place.
