My dear Chapin  
Will you  
kindly say to  
Mr Wheelock  
who played  
the "Taps" at  
my mother's  
funeral yesterday  
that we are all

My grateful  
thanks for his performance  
of that beautiful  
teaching ceremony  
so significant in  
itself & so much  
a part of his  
warmed desire as  
a person who  
are buried in  
Perennial

and to go to  
the school & to  
always hold him in  
expect of his re-  
collection.

I need not say  
how much I  
rejoice to see  
it as the evidence  
of his  
sincerely  
yours  
Dr. J. P. [unclear]
