Dear Friend

I was very sorry I never write to you right away. I been lost your last letter. I think you very sorry I never write to you right away. I am going write to you now and tell you about me. I never forget you before I dead. Only forget you I am dead. You ask me about books and papers I am read.

Only took with me some few school books from Carlisle. I get sometime Mr. Brower few new papers and some write papers. Only one time I get some papers from Carlisle. Susie he did not read anything.

(2)

He has been school at here he never learn,
 to read I try sometime teach him speak
 English. Only few words understand and
 little Frank ^{he} learned more speak English.
 little Frank he play with an thing he
 get. You said in the letter you like to
 see us. I like see you to all time and
 Susie he like see you too. Coogedlare
 has came back this summer and he
 been forget speak Eskimo. He has
 going teach school this winter,
 and he teach little boys and girls.
 I think never worked on more
 Mr. Brower. I am stayed too long here.
 I try get some money. I think
 gang away next summer. One boy
 he wante go with too and this boy
 I like him very well. Next write to you
 tell about there. Where I am going
 amman get \$5.00 one day worked outside.
 and cook \$8.00 day. Mr Brower boat
 get two whales last month one
 small one other big one.

get

Last spring he ^{get} 5 whales and one big some others it is small. My father sister he son been dead last winter. He has been deerhead. I has very sorry to him. he dead. I like him very well and he like me to very well I come here. Could many people been sick here, and some of dead, and some last winter. few weeks ago little girl he died in the my house. about 5 years old. Only one chin he father and mother. I think very sorry to him. Last summer I killed could many ducks here about 700. I think you like some I have them. I like gave you, and you here. If you want write to me, and I was very glad hear from you.

Truly your Friend.

Conaleana.
