My dear Teacher:

Your welcome letter was received just a couple of days ago and I was glad to hear from you. I am sorry to hear that you <sup>have</sup> hurt yourself and is not able to be like a well person. I wondered after a few weeks I wrote to you why you did not answer my letter. I thought maybe you had gone to

Europe to help Germany. I hope that you will get well very soon.

I have a friend, an Indian girl from California. She has been sick too over a month now. I have been trying to take care of her as I am the only friend she has in the city just now. I am very anxious for her quick recovery.

I was so glad to hear about all of my dear old teachers and friends at Carlisle. It made me want to go back to Carlisle and start all over a gain with same teachers and friends.

Yes, I heard that Miss Ely died. I was surprised to hear that Richenda died. It is too bad.

I believe I knew Miss Barr's husband's name - Mr. Buckley. I was with Miss Barr two months during the summer of 1910. At that time she was engaged to Mr. Buckley I think.

It was so kind of you to put flowers on the graves of my dead friends.

Coolalook's husband's name is Arthur Eide. He is a white man from Norway. They have a little boy now. They are teaching at Little Diomedes Island, Alaska.

Your mother must be a quite old lady now. I hope she will live a long time yet. I am glad she is well.

I certainly will try to see Gen. Pratt soon as I am anxious to see him again.

You asked me if I am under the "Riverside outing". No, Miss Peter, I have not been under the government or under any school since July 1911. Coolalookind I have been out for ourselves since we left schools. We like to be free from any bosses since we are strong enough to work for our living. We have been happier and more contented than

if somebody had been over us.

I do not know where Esantock is. I heard while she was going home that some man attacked her and caused her to fall and she went almost insane from it and ever since I have not heard of her.

Coalbrook and I have been perfectly well since we left school.

I am going to write to Miss Noble soon as she was a cook at Chermawa when I was there and I worked as a waitress.

I guess I had better close now. I hope this letter will find you much better.

Sincerely,

1326 O'Farrell St. Anona Buck

P. S. Yes, please, Miss Peter I like to have your picture very much. I have dear Mrs. Corbett's picture and I carry it in my suit case wherever I go. I loved you and Mrs. Corbett best when I was at Carlisle. Some day if I ever come to Carlisle I shall put some flowers on Mrs. Corbett's grave.

I think I better close and mail this letter. I hope that you are better now.  
 Your friend
