Mt dear School Father:

It has been 22 years since I saw you and Mrs. Pratt and have never written to you or Carlisle but this does not mean ingratitude as there has never entered in my heart any feeling of disloyalty and have always tried to so conduct my movements that it would be a credit to the cause for which Carlisle stands which I hope will atone for my letter writing discrepancy.

Accept my heartfelt sympathy to you and the family in the death of our beloved sister Richenda and so far as is possible I wish you a Merry Christmas and a Happy New Year.

Sincerely yours,

M. D. Archiquette
