ORPHANS' COURT.

Philadelphia.

February 25. 1896.

My dear Capt. Pratt,

I have your kind message of 22^d inst. for which I return you many thanks. Mrs. Ashman and I are going to avail ourselves of your hospitable offer, if we possibly can, by coming to Carlisle on Wednesday (tomorrow) afternoon, so that we may be present at the exercises of Thursday. We may take the liberty of bringing a lady, friend of Mrs. Ashman's, who is

very anxious to know some-
thing of the educational
work among the Indians.

Very truly Yours,
W. Nashman.
