Genl. Richard H. Pratt

My dear General:

Can you tell me if there are any survivors of the Miami's Shawnee Indians removed from Ohio in 1831. I think what was left of them were put on the Quipew Reservation but are there any left. They were our most formidable enemies in the Middle West & I fear that they have not been well treated. Did any of them ever go to Warlike?

Wishing you Mr Pratt all the joys of Retirement

I am Sincerely Yours
