

Strepknap Sept 9

[1878?]

Dear Captain: I hope all
is right now about the
fence. It looks bad this
delaying you so. I enclose a
General letter hoping it will
do some good.

I can't see anything
just now for your Replies.
I will talk about them
when we meet.

The "Messenger" is read
I am very glad Mr. Pratt

is included in the order

Your order is recd.

I have sent word to
Wilmington to make

bodily welfare of Indians
a primary matter: to
give them plenty of "let up"

this is liable to be our
weak point. The delay
is most unfortunate.

We must push things.

Faithfully Yours

J. C. Armstrong
