Dear Captain:

Yr. Oct 5

recd from Alfgona

I wish for

Cressy every day. I

return Douglass letter

I am very sorry for
what he says about
Bishop War. It is
singular & strange.

I trust we are not
a good supply of girls
but they seem to be some-
thing mixed in the matter.

I am glad you are

Home again. Mr. Hunt
Dun has a rough time
with the backing & filling
of Indians.

It is too bad
about the sick ones.

I have to go to
Carlisle next month on
my way north.

Hoping everything
will work out right.

Yours
Wm. Greaves
