Dear Captain:

We cannot
find the key to the
room in Melion Cottage
in which Mills died
his bunk in plaster.

Did not Etahaleah
take it? Please
find out & let me

know so much from
our made.

No number of Indians
get - the business is free
of delay & difficulty.
We shall

have all we can manage
backstage & are not
eager for the extra group
of rising but will take
them if you decide to send them

White Bread is
wonderfully in demand
this going north seems to
be the thing. I am
indeed thy girl and son
