Dear Captain

Early in Jan. I
 expect to go to Washington to meet
 the Dr. Strickley & Genl. Kitch to
 plan for incursions to be sent to
 the 2 incursion schools of the
 Am. Navy Acad. Say: 50 to
 Ingalls & 50 to Falladega
 Schools. Can you meet
 as if I write a telegraph?

We wish to arrange
 charge per capita for the future
 We here share aim for not
 less than \$175. - not over \$200.
 I would like to advise with
 you in this matter. What's best

150, is too little. I shall work
steadily for more - not to exceed
I think \$200, a year.

A good deal is to be
considered - public sentiment &c.
I have felt very uneasy about
Bismarck - I shall wait him
Sincerely yours
J. C. Montgomery
