## Hampton Normal and Agricultural Institute.

Hampton, Va., Jan 11 1881

Dear Mary  
 Everything I read  
 all right. The thing  
 must be pushed.

I have written a  
 fire-brand on the subject  
 & I long to throw it at  
 the Boardy Inst. Com.

Let the ministers  
 attend strictly to their  
 business. We'll not  
 be in Nashingtn till  
 late in Jan. Can't say  
 when. Will let you

Ann.

Received letter not  
very bad but not very  
cheering.

With kindest regards  
to Mr. Hall

Your faithfully  
J. C. Armstrong
