Dear Capt Pratt

Yours of 24th recd
 Re Dr Jackson had
 already written me about
 the Inclosure (2c).
 Much obliged all the
 same for your information.
 Your joining in the
 program is a capital
 idea. Too much
 expense & botheration
 for us to go in - you
 being U.S.A. - are all

right. Make the most
of the best of it

Strickly is not
very certain about going
but I'll telegraph
his plan.

I'd be glad to
meet you in London then

Yours
J. C. Armstrong
