Dear Captain,
I am
drinking & going abroad
to learn from 13th return
about Sept. 1st. I wish
to talk up Indians.

Will you kindly make
up & send me a set of
such pictures illustrating
Indian life in its most
savage & warlike as well
as higher phases as you
have a copy - I will
make good use of them.

The value of the pictures
will be more than doubled

by pasting on the back ^{of each picture}
 writing paper & giving as
 full an account as possible
 of each one. I leave
 you Saturday 11th June.
 for N.Y.

We had a good day
 on the 19th —

You let them Philadelphia
 pictures off too early. Bleed
 them next time

With kindest regards to
 your wife believe me
 Yours sincerely
 S. C. Armstrong
