Dear Mr. Batt:

Thanks
for three pictures of the
Pawnee Chiefs.

White Eagle is a
great grand man.

The negro race can
produce nothing like
his type. It must
disappear from our
land - too bad.

Ability to gain is
the test in this land
& the greatest man

the crowd our know couldn't
make any money.

I am sorry the
Tibbles party were
"nipped" at Carlisle;
they may do you some
injury. I don't

know what to make of
Tibbles. I like

Bright Eyes. I am
trying to get them to
make themselves useful
by raising money for a
Building for our
of more Indians

Sincerely yours
J. C. Armstrong
