Dear Captain:

I was intended to go to Carlisle about the 18th Nov. taking my little girl Fely on a visit to her Philadelphia friends (Richard Armstrong) My father graduated from Dickinson College Carlisle in 1829 I think. If you have a chance will you inquire of the President of any of his old classmates or friends are about so I expect.

My father was from the Emmetts Northumberland Co. Pa. - near Newton Pa.

I leave towards Calicut at 2
P. M & leave next Am at 10.

Wishes for you. Hope
all is going well.

Fareyou
St. Anthony

I wish to see the College.
