Dear Captain.

Yours of 4th
recd.

I do not mean to
take up a collection in
MS. but wish to be free to do
so if I choose. I shall
be sorry not to have you
but you need my resources
you loan & I wd. not
draw off any of it. I
think myself you gain more
than you are lost by taking

part with as
Riggs & Stupor
to exhibit to be "on top" in the
time he seems to wish, He is
a "Congregational" minister
— can resist nothing outside

Narrow mind and
is a feature of many persons
here

Subscribed Riggs, may
not say much more

Rough circles. I think
a a Indian School in
Kansas. He & Dickinson
are both to me a

Yours sincerely
