Dear Captain

Yours of 26th recd.
Come about the middle
of November. I expect to be
there 15th or 20th.

I hear Holman's
Plan is to wipe out all
but reservation Schools
There is to be a good deal
of a racket over Indians
I am rather confirmed
in my impression
only. He is a smart-
man & has very his

our way. I go to Phil.
next Sat. ev. - & spend
Sunday with Mr. J. B. Cox
hoping to pass part of
Sunday P.M. with
Speaker Randall. - I have
no idea how it will go
off.

What a grand trip you
had! Almost too much at
once.

We have 137
Indians but a rather
poor selection but from
Indian Territory.

With kindest regards to
you all,
Yours sincerely
J. C. Cunningham
