

## Hampton Normal and Agricultural Institute.

Hampton, Va., June 11 1886

Dear Captain:

Find enclosed copy  
of letter from Judson  
Officer, Furong-Wood,  
Lake fifteen. I bear  
him Painter that you  
undertake all the Apache,  
of course they will  
be sent to you as you can  
do so much more for them.

I am glad you will  
be here on the 18<sup>th</sup> with  
so many good teachers  
I am sending

more & more out of patience  
with the Indian office.

Its treatment of  
Mr. Cicinnatus and Major  
Garrison has been  
abominable - a. b. clerks  
especially. If an  
agent has a sky suit  
to keep his decent, he is  
not fit to be an agent

Politics seem to me  
to be more & more  
sticking out of the  
Sunday business.

Yours sincerely  
S. Clingman

Princ. Hampton Normal School

Hampton, Va.

Sir,

I am in receipt by reference of the Department of a communication from E. Whittlesey, Sec. Bd. Ind. Commrs., wherein he quotes an extract from a letter of Gen'l Clinton B. Fisk, Chairman of the Bd. of Ind. Commrs., wherein he recommends that a dozen or more very bright Indian boys and girls now in Florida, children of the imprisoned Apaches recently from Arizona, be brought to Hampton forthwith to take the places of Indian students, who will go home at close of this school year.

You will please inform this Office, if you can accommodate the number stated or not.

Very Respectfully,

(Signed)

A. B. Upshaw  
acting Commissioner
