Dear Captain

Mr Talbot

Say you are coming here soon

I'm glad of it, but hope you
will come before nextThursday ev. I learn the
ev. of the 11th for Washington &
the North

Yours sincerely

S. C. Armstrong

See Marling's & all others
expect to go before the
Committee - disgusting
work! I suppose these
men look at us as

"grabbers" - you ought to be
then.

Kindest regards to Mrs. Hill
