

## Hampton Normal and Agricultural Institute.

Hampton, Va., June 15 1888 [n.y.]

Dear Pratt;

We have lost  
every goat contract for  
Mason work, Shires  
trace, harness &c.

Change of policy!

I think Atkins is disposed  
to be fair but that the  
Clerks rather tricked us.

There seem not to have  
been perfect good faith  
in the matter.

How are you  
affected,  
Mrs Armstrong
