Dear Capt Pratt

Can you give
me any idea when
the Holman Committee
of House of Rep. for visiting
Indian Schools will be
around? Please send
and whenever you have
any idea. We shall have
very few here in July.

Was at "Lincoln"
Indian School last
Sunday. They are
in many ways

imperfect, but are doing
good work, & will steadily
improve & do great good.

They are better than
the reports last one looked

Yours sincerely
