

The Hampton Normal and Agricultural Institute.

Hampton, Va., Jan 15 1891

Dear Capt Pratt,

Thank you for
 enclosed clipping.
 Tibbles comes later to
 be attached. I will let him
 alone. He is a cipher
 at his own home.

He is an excellent - will
 not deliberately lie but is
 most untruthfully - & it
 has spiked his own guns

Yours sincerely
 S. C. Armstrong

I cannot take time from writing this
 letter of publication
