

Hampton Normal and Agricultural Institute.

Hampton, Va., May 12 188

Dear Capt. Pratt

Very sorry I cannot
return your services. Please
find enclosed invitation.

I expect to spend
Sept. in Arizona, studying
up Indian questions - leaving
here about Aug. 1st to get some
rest in some parts of Colorado
- starting for Arizona ^{Sept.} Oct. 1st
visiting Navajo Agency & some
Indians - then back on the
road & around to Papago &
Pima Indians & to San

Carlos Aguirre - then back
to our Indian Territory
Spent a week in studying
civilized tribes - reaching
Compton about Oct 10th.

Please give me all the
"points" you can. How
can I best spend a week in
Ind. Tg. - seeing best the
civilization there. I think
you can advise me better
than any man I know.

Waiter as improving
all along the line.

Respectfully
J. C. Drumming
