Captain Pratt
Carlisle, Pennsylvania
Dear Sir,

I have some funds
to dispose of in Charitable
works, out of a sum of money
which came to me as ex-
ecutary legatee of my wife
the late Mrs J. J. Astor.

As I know, Mr Astor was
much interested in your
work among the Indians,
I can give you, Two thousand

Dollars, for any particular
branch of your work, or for
your general work.

In answering this, let
me know in what manner
the money can be of most
service, and also give
me your full address

yours truly
J. J. Astor
