My dear Colonel

With regard to any
acknowledgment you may
see fit to make of the
legacy left the School by
my sister, & as you have
requested a suggestion from
me in your very kind letter
of Oct 3rd I would say
that her family would

highly Value in any
form your Expression of
appreciation of her gener-
osity, but a simple letter
from the Trustees and
yourself would seem to
me as appropriate as
any that I can think of
if such would meet your
approval, upon the payment
of the legacy. I am Very Sincerely
Edwin T. Benson
