

Crow Agency, Montana.

March 1914.

General R.H.Pratt,  
Washington, D.C.

My dear Gen.Pratt.

Yours received, and we are always glad to hear from you. Our Superintendent, Major Scott, reports having met you, and having spent two very pleasant evenings with you. I thank you for your kindness to him and hope you found him to be a man to your liking.

Something seems to be doing at Carlisle, if newspaper reports are to be depended on. We noticed that the school was not up to the standard that was maintained under your Superintendancy.

We enjoyed seeing some of the old Carlislers while in the East. Miss Burgess met us in Chicago and spent the one and one half hours we had to wait for train West, visiting with us in the depot. Mrs. Bennett and myself were disappointed to miss seeing Mrs. Pratt and yourself. If you should get out this way - be sure and look us up.

With best wishes to Mrs. Pratt and yourself from Mrs. Bennett and myself.

Sincerely yours,

*B. J. Bennett*
