

St. Augustine Fla.

July 28 1879.

My dear Pratt;

Enclosed you will find a copy of my report, as promised you. It needs no explanation.

You will probably coincide in my views, as expressed in the report. I hear you have succeeded in the plan, you desired to be adopted, of having a school established at Carlisle Bhs. Fla. I congratulate you on your success, and wish you good luck in your further labors. Write me Pratt and tell me how things look for your success. Tell me how the Authorities looked upon your Seminole trip, &c. Did you get the P.O. Order OK? ~~The~~ It is awfully hot here. All well here save that is there soldiers who seem to be having the same throat trouble we heard of in southern Fla.

Yours truly,
Brown.
