PHILADELPHIA, Jan. 30, '83.

My dear Col. Pratt,

I thank you
cordially for your invitation
and if I can change the
date of a prior engagement
I shall esteem it a great
pleasure to run up for
Thursday at least. Do
not bother as to ticket. My
trunkage will do O.K.

I shall again urge Sen.
Frisvold to push the bill. I am
confident your aid in American-
izing the island is a most
potent and valuable one.

Very truly yours,

W. S. Brewster
