My dear Capt. Pratt

Please accept my thanks
for copy of the "New England
Magazine" containing Mr.
O. P. Super's very interesting
article on "Indian Education
at Carlisle".

It is a well written
article, and is finely illustra-
ted. The picture of yourself
is likely to attract offers of
engagements to represent
Napoleon, in plays more or
popular.

Carlisle discerns all that it is
said of it, and you made
Carlisle, long may both War!

Dr. Wiley desires me to thank
you for a copy of the same
number of the Magazine

I thank you again & I
am always interested in such
concerns Carlisle & your welfare

With kindest regards to
Mr. Pratt, Mr. Handing, Miss Cummins
& yourself

Believe me as ever

Very truly
Wm. C. C.
