

THE RITTENHOUSE
PHILADELPHIA
CHARLES DUFFY MANAGER

May 16 / 1920

Dear General Pratt:

I have just finished packing my trunk preparatory to our return to Carlisle.

Enclosed is a clipping from the Carlisle Herald of May 13th stating that the army hospital will remain there and be utilized as an instruction base. This seems to dispose of the Indian school project.

We have been at this hotel for a little over 6 months and I am glad now to return home.

With kindest regards,

Sincerely yours,

Edw. Biddle
