

Pittsby July 27th 1883

Capt R H Pratt.

My dear Sir.

After you left on Saturday. A very pleasantly clad old lady called to give a little money on the said "to help the Indians." Her parents had lived near some Indians in Canada when she was a child and she always thought "she would like to help the Indians if she had a chance" so she brought \$10.00. Her name which she was reluctant to give is Mrs Marwinney. 14th Ward. Pittsburgh. Will you please acknowledge, or have one of the ladies acknowledge to her the gift. I enclose my own check for the amount.

I send also the letter of Rev. Mr Miller which I had forgotten to return to you.

I hope you reached the

school with all your family
well, and found Mr Pratt &
the Baby in excellent condition.

I have been very busy since
you left and am hurried now
to write this few lines.

Very truly yours
Philip R. Brunot.
