INDORSEMENTS.

Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. Mr. A. S. Nicholson,

My dear Mr. Nicholson:

I attach hereto a copy of the telegram that was sent to you this morning.

It has been reported to me that Paul Tomaw has not had a hemorrhage since Sunday and that he is regaining some of his strength. The best of care is being given him and it is hoped that he will improve so that it will be advisable to arrange for his return to his home.

Henry Tomaw is also improving steadily, but our School Physician has reported that both the boys are of a very low resistant type and has recommended that both of them be sent home.

Will you advise me whether the father is financially able to pay for their transportation home? A small amount that will be required by the boys for incidental traveling expenses seems to be the least he should provide for his boys.

-2- Mr. A. S. Nicholson, Superintendent.

Hoping that other favorable reports can be conveyed to you relative to the Tomaw boys, I am,

Very respectfully,

HKM.

Supervisor in Charge.
